Sprint 2 Report

Heading: Vocab Venture, 5/7/24

Actions to stop doing:

- We should stop pushing everything to one branch

Actions to start doing:

- We should discuss more about what each person is doing, so everything is balanced

Actions to keep doing:

- Continuing to meet in person and not virtually
- Keep consistent with code commits throughout the project
- Continuing to use two branches: dev and main

Work completed/not completed:
- Completed:
    - User Story 1: {10} As a user, I want to learn different categories of words in the language I selected
    - User Story 3: {8} As a user, I want to see pictures of the word so I can more easily remember it
    - User Story 4: {10} As a developer, I want the user to type out the word they are learning to keep them engaged when learning and to have some type of physical acknowledgment that they learned the word
    - User Story 5: {5} As a user, I want to see the words I have learned so far
- Not Completed:
    - User Story 4: {5} As a user, I want to sort the dictionary so that I can see the words I'm good at/struggling on/in alphabetical order

Work completion rate:

- 4 user stories completed
- Total number of estimated ideal work hours: 90 hours
- 1 user story every 6 days
